What is the CMCA Weatherization Program?

It is a program funded by the Federal Department of Energy, the Missouri Department of Natural Resources, and Ameren UE.

THE PROGRAM WILL:

- 1 Help you lower your utility bills,
- 2 make your house more comfortable, and
- 3 make your house safer and healthier.

Am I Eligible?

See the chart to the right. Look up the number of people living in the house and if your income is lower than what is shown - you probably qualify. It is as simple as that.

Homeowners and renters may apply. You can live in a multi-family home/apartment, single family home or mobile home.

We can help you if you live in Audrain, Boone, Callaway, Cole, Cooper, Howard, Moniteau, or Osage counties.

Steps to Weatherize Your Home

- 1 You complete an application to determine eligibility
- 2 CMCA conducts an Energy Audit of your home.
- 3 Our recommended improvements are made to your home
- 4 CMCA makes a final inspection to ensure the work has been done satisfactorily
