Health & Nutrition

Health Care

Pregnant Mothers Receiving Inadequate Prenatal Care⁴⁰

Inadequate prenatal care is associated with increased risks of pregnancy complications, pre-term birth, and low birth weight.

Individuals Served in Mental Health Treatment Programs through the Division of Behavioral Health³⁹

Individuals Admitted to Substance Use Treatment Programs³⁹

In the Missouri Student Survey, Callaway County middle & high school students reported:⁴⁸

14%

used alcohol in the past month

16%

rode with someone who was drinking alcohol

3%

used marijuana in the past month

7%

planned to commit suicide

2%

attempted suicide

Education

High School Graduation Rate²⁶

High School Graduation Rates by Race²⁶

K-12 Mobility Rates²⁴

Mobility Rates reflect the percentage of students who change schools during the school year. High mobility rates are correlated with lower attendance and lower academic outcomes. Rates above 10% are considered high.

K-12 Proportional Attendance Rates²⁵

Proportional attendance rates reflect the percentage of students within a specific demographic group that maintain 90% attendance. Students with chronic low attendance have lower academic outcomes, a higher drop-out risk, and a lower graduation rate than students with good attendance.

Income

Median Income & Living Wage

Median Household Income⁴⁹

Median Income by Race & Ethnicity⁴⁹

Average Hourly Wage⁹

Living Wage⁴⁵

Household Composition	Living Wage
One adult, no child	\$21.09
One adult, one child	\$35.83
One adult, two children	\$45.59
Two adults (both working), no child	\$14.33
Two adults (both working), one child	\$20.78
Two adults (both working), two children	\$25.02

Living wage is the amount each adult in a household must earn in order to meet basic needs.

Employment Labor Force

Total Labor Force⁵

Labor Force Participation Rate by Educational Attainment⁶

The **labor force participation rate** represents the percentage of the population that are either working, or unemployed and looking for work. It does not include those who are unable to work, or those who are unemployed and not looking for work.

Labor Force Participation Rate by Race & Ethnicity⁶

Workforce by Age⁸

Unemployment Rate⁵

The **unemployment rate** represents the number of unemployed people as a percentage of the labor force. It does not include people who are not in the labor force (i.e., those who are not working or not looking for work.)

Housing Housing Stock

Total Housing Units⁴

Housing Units by Number of Bedrooms⁴

The distribution of the **number of bedrooms** per home helps communities determine if existing housing stock meets the needs of the community based on household size and composition.

The **age of a housing unit** provides information about the needs for repairs, renovations, energy-efficiency upgrades, and other types of preservation.

Age of Housing Units⁴

Vacant Housing Units⁴

Vacancy rates reflect the occupancy status of a housing unit at a particular point in time. Vacancies can include abandoned units as well as units that are temporarily unoccupied, such as units that are waiting to be rented or sold.

The **number of units proposed in approved building permits** provides information about new housing construction, although not all approved permits result in actual construction.

Housing Affordability

Owner-occupied vs. Renter-occupied Homes⁴

Home Ownership by Race & Ethnicity⁵⁰

Home Owner Mortgage Status⁴

Households Paying More than 30% of Income on Housing Costs⁴

Households paying 30% or more of their income on housing expenses are considered to be **housing cost burdened**. Housing expenses include rent or mortgage payments, utilities, and insurance. Households who are housing cost burdened are at risk for utility shutoff, eviction, and foreclosure.

8.5%
of survey respondents reported they were **behind on rent or mortgage payments⁵¹**

11%
of survey respondents reported they were **behind on utility payments⁵¹**
